You are also invited to Acadian Timber Corp.'s Annual Meeting of Shareholders on May 6, 2021 at 2:00 PM (Eastern Time).

Considering the ongoing public health concerns related to COVID-19 and in order to comply with the measures imposed by the federal and provincial governments, we are encouraging shareholders and others not to attend the Annual Meeting of Shareholders in person. Shareholders are urged to vote on the matters before the meeting by proxy and listen via the live one-way webcast at www.acadiantimber.com or by teleconference at +1-866-795-3013 toll free in North America or +1-409-937-8907. The conference ID is 5559887. Shareholders will not be able to vote via the webcast or teleconference. The webcast will be archived on our website for future reference. For further information regarding the Annual Meeting of Shareholders, please refer to our latest Management Information Circular available on our website at www.acadiantimber.com, under "Other Disclosure Documents".

If you have any questions about the first quarter conference call or Annual Meeting of Shareholders, please contact Adam Sheparski, Chief Financial Officer at +1-506-737-2345 or ir@acadiantimber.com.

Acadian Timber Corp. (TSX: ADN) is a leading supplier of primary forest products in Eastern Canada and the Northeastern U.S. With a total of approximately 2.4 million acres of land under management, Acadian is one of the largest timberland operators in New Brunswick and Maine. Acadian owns and manages approximately 1.1 million acres of freehold timberlands in New Brunswick and Maine and provides timber services relating to approximately 1.3 million acres of Crown licensed timberlands in New Brunswick. Acadian's products include softwood and hardwood sawlogs, pulpwood and biomass by-products, sold to approximately 90 regional customers. Acadian's business strategy is to maximize cash flows from its existing timberland assets while growing its business by acquiring assets on a value basis and utilizing its operations-oriented approach to drive improved performance.
